

# GENERAL ORDER

## Exposure Control Plan

Date: June 27, 2017

Number: 17.015

Effective Date: June 27, 2017

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

A handwritten signature in black ink, appearing to read 'Darren L. Stevens', is written below the printed name.

The Fauquier County Exposure Control Plan has been updated. The updated plan dated April 2017 shall supersede all previous versions and shall be the governing document concerning the control of infectious diseases and post exposure care and record keeping. The document is available on Target Solutions for review. All personnel shall review the document and be familiar with the processes described therein.

Questions regarding this general order should be directed to Battalion Chief Johnson.
