

GENERAL ORDER

In Service Training

Date: August 21, 2017

Number: 17.031

Effective Date: August 21, 2017

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

The Fauquier County Department of Fire and Rescue has recently been requested to assist with the staffing and response of Remington Volunteer Fire and Rescue Department's "Truck 2". The leadership of both organizations have met and agreed that in an effort to supply the citizens of Fauquier County with the highest level of service possible, it would be in the best interest of both parties to work in conjunction to ensure the response capabilities of Truck 2 were maximized.

To establish a baseline knowledge level to build skills from, all members are required to have completed the Virginia Department of Fire Programs Introduction to Technical Rescue Module 1 prior to September 13, 2017. For those who have not previously completed the course, it can be found on-line at the Commonwealth of Virginia Learning Center:

<https://covlc.virginia.gov/default.aspx?state=0b1618d1-c2ff-4457-aa36-b8b6df1598fb>

Once logged in, search for VDFP ITR. The course should take 1 to 1.5 hours to complete.

The department will be holding an initial Truck Company training drill in an effort to provide personnel with a basic understanding of Truck Company operations. Drills will be held on the following dates and coincide with department sponsored Blood Borne Pathogens training presented by George Mason University. Each session will start at EMS1 and then move off site. Personnel shall report as indicated below with their full PPE ensemble.
