

# GENERAL ORDER

## Truck 2 Staffing

Date: September 29, 2017

Number: 17.042

Effective Date: October 1, 2017

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Effective October 1, 2017, Department of Fire Rescue personnel are authorized to staff Truck 2 in conjunction with the volunteers in Remington.

The current operational plan is for the Remington Volunteer Fire and Rescue Department to minimally provide a driver/operator and DFREM personnel fill the second and third position as needed. Due to the nature of truck company operations, it is preferred that DFREM staff remain together as part of the crew and not split among different response platforms.

A goal moving forward will be to continue truck company operations training to include driver/operator training.

Questions regarding this general order should be directed to Assistant Chief Ciarrocca.
