Approved By: Darren L. Stevens, Fire Rescue Chief 		

With the opening of the Fauquier County Employee Wellness Center powered by Marathon Health, Department of Fire, Rescue and Emergency Management occupational medical evaluations and classifications will be conducted at the Wellness Center located at:

98 Alexandria Pike, Suite 52
Warrenton, VA 20186

Phone 540-905-7456

Hours of operations: Monday and Wednesday 0700-1700
Tuesday and Thursday 1000-1800
Friday 0800-1200

The physical scheduling process is new as well. Each quarter, a general order will be issued directing identified personnel to call the wellness center to schedule a physical appointment. Personnel should schedule an appointment date in their birth month unless extenuating circumstances exist. Personnel not able to schedule in their birth month shall contact Battalion Chief Johnson with the circumstances. Appointments shall be made for off-duty days and overtime is authorized.

The Wellness Center staff will facilitate the necessary paper work and advise you of any requirements for your exam(s). The Wellness Center staff will also work with Battalion Chief Johnson to monitor compliance with the scheduling general orders.

Another change to the exam process is that respiratory fit testing will now be completed during the medical evaluation for SCBA face pieces as well as N95 masks. All personnel shall take their issued SCBA face piece to the appointment. N95 masks will be provided at the exam. The intent is that personnel will receive a new N95 mask to carry as a personal issue N95 mask.

As with the implementation of any new process, we welcome feedback to improve efficiency. Please provide feedback to Assistant Chief Ciarrocca at mark.ciarrocca@fauquiercounty.gov
