

# GENERAL ORDER

## Protocol Update

Date: November 30, 2018

Number: 18.085

Effective Date: November 30, 2018

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

The Fauquier County Department of Fire, Rescue and Emergency Management has finalized the EMS Protocol update for 2018. Within this update you will find several skills, interventions, and treatment protocols that the EMS Committee protocols subcommittee have worked diligently to create and become formally approved by our Operational Medical Director, Dr. Michael Jenks.

As such, all career and volunteer system members currently certified at the EMT-Basic level or higher will need to complete the online training by January 1<sup>st</sup>, 2019.

This course can be accessed on [www.fauquieremsprotocols.myicourse.com](http://www.fauquieremsprotocols.myicourse.com) and will be available beginning 0800 hours on Monday, December 3<sup>rd</sup>, 2018. This short course will be presented in a video format that can be accomplished at your own pace. Once you have completed the course and you have clicked “Finish Course” your results will be emailed to the appropriate EMS administrator.

The “go live date” for the new protocols is January 7, 2019.

Any questions pertaining to the myIcourse can be sent to Lieutenant Matt Shields [Matthew.Shields@fauquiercounty.gov](mailto:Matthew.Shields@fauquiercounty.gov).

Questions regarding this general order should be directed to Battalion Chief RJ Arft.
