

GENERAL ORDER

Second Set Gear Fitting

Date: June 3, 2019

Number: 19.038

Effective Date: June 3, 2019

Expiration Date: N/A

Approved By: Mark S. Ciarrocca, Acting Fire Rescue Chief

Over the next month personnel will be sized by Blue Ridge Rescue Suppliers for their second set of gear. To accommodate this, dates and locations have been identified for on-duty units to report for sizing. Sizing should take five minutes per person. Once sized, units are to return to their respective first due areas promptly. All personnel will need to attend one of the dates listed below. If you are not able to attend a sizing session on a scheduled work day, please advise BC McEvelly as to which session you will attend. Overtime is authorized for those unable to attend on duty.
