## Industry Safe URL Change

Date: March 14, 2018

Number: 18.006

Effective Date: March 14, 2018

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

On April 2nd, the IndustrySafe URL will change from <https://www.industrysafe.com/fauquierco/incidents> to <https://app.industrysafe.com/fauquierco/incidents>. This change also applies to the login page utilized by Battalions and administration.

Using “www” instead of “app” after April 2nd will direct the user to a message displaying “Page Not Found.”

Please change all links, favorites, and bookmarks to this new URL as soon as possible. The app designation currently works and should be utilized by all users.

Questions regarding this bulletin should be directed to Technician Jonathan Frinks [jonathan.frinks@fauquiercounty.gov](mailto:jonathan.frinks@fauquiercounty.gov) .
