REMS Council Annual Awards

Date: June 15, 2018

Number: 18.015

Effective Date: June 15, 2018

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

On June 12, 2018 the Rappahannock EMS Council held their annual awards dinner at the Museum of the United States Marine Corps. Technician Scott Chamberlin received the Excellence in EMS award. This award signifies the type of employee Scott is. This award also makes him eligible for State recognition and the State Excellence award which will be announced at the State EMS conference in Norfolk in November.

Also awarded at the dinner were Dr. Jenks and Nurse Kamry Mackison. Dr. Jenks was awarded Physician with Outstanding Contribution to EMS. He received this award because of his contribution to not only our county but Rappahannock and Culpeper counties. Kamry received the award for Nurse with Outstanding Contribution to EMS for her dedication to improving the relationships between the hospital and EMS providers.

Please take the time to congratulate these members of our great team.
