Date: October 5, 2018

Number: 18.025

Effective Date: October 5, 2018

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

On October 1, 2018, the logistics section implemented the Fauquier County Fire Rescue Courier Service. The logistics courier will do a southern route on Mondays and Thursdays and a northern route on Tuesdays and Fridays. There will be no service on County holidays.

Station officers need to work with the Company Chiefs to identify a specific drop off and pick up area within each station in the Bay Area that is properly marked. Please contact Lieutenant Butch Flippo for assistance with marking the areas. Portable equipment and inter-department mail can be sent using this service. The courier will also be delivering uniforms, certain supplies and other distribution items. The courier will be checking with shift officers for any pickups or drop offs until a specified area in the stations is identified.
