The Department is offering the Company Officer Development Program this coming spring. This offering is open to all department members and agencies within the Fauquier County Fire Rescue System. This program satisfies the requirement to participate in the Fauquier County Fire, Rescue and Emergency Management promotional process for the rank of Lieutenant.

This offering may be the only offering between now and the next promotional process thus any candidate planning on participating in the 2020 Lieutenants’ process who needs this program should attend this offering. Furthermore, if a promotional list is exhausted, a special process may be scheduled and this offering will satisfy requirements for a special process as well.

Attendance of one class of each session is required for successful completion to satisfy the promotional process requirement. Overtime is not authorized for attendance.

To register, interested members should send an email of intent to Battalion Chief Michael Gillam prior to April 2, 2019.

Note: Classes are from 1830hrs to 2200hrs unless noted. *Topic subject to change due to instructor availability
