

Informational Bulletin

Working Groups and Committees

Date: May 23, 2019

Number: 19.027

Effective Date: May 23, 2019

Expiration Date: N/A

Approved By: Mark S. Ciarrocca, Acting Fire Rescue Chief

In an effort to increase efficiency, safety and overall performance, several working groups have been established as identified below. Additionally, our involvement regionally has increased and members participating in a regional group are identified. Also, those members participating in VFRA committees are identified. Informational Bulletin 17.004 hereby expires. If you have any questions regarding specific topics, feel free to reach out to the members identified. Questions regarding this bulletin should be directed to Assistant Chief Mark Ciarrocca.
