Peer Support Update

Date: August 9, 2019

Number: 19.032

Effective Date: August 9, 2019

Expiration Date: N/A

Approved By: Mark S. Ciarrocca, Acting Fire Rescue Chief

The Peer Support team is implementing some changes that need to be addressed. With our continuing dedication to mental health in our community and the increasing demand as our department grows the following changes have been applied:

- A team email address PeerSupport@fauquiercounty.gov has been created. This will aid in advertising class information, provide a forum for questions regarding the program and enhance overall communication.
*This is not a confidential email as all peer support will be via text, phone or face to face.
- The team now has a group phone, **540-351-4599**. This will be passed between Lieutenant Saunders, Lieutenant Kehle and Technician Johnson.
- An “on-call” rotation has been employed among the team members which will assure there is always someone available for the county’s peer support needs.
- A flyer will be posted at each station with all new the contact information.
- New members have been added to the team and will be introduced in the coming weeks.

Questions regarding this bulletin should be directed to Battalion Chief Natasha Lorenzen.
