## FCWSA Water Main Valve Repair

Date: April 7, 2022

Number: 22.014

Effective Date: April 7, 2022

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Fauquier County Water and Sanitation Authority (FCWSA) maintenance crews will be working on a water main valve installation upgrade in Bealeton **Tuesday, April 19th**, from 10:00 pm to **Wednesday, April 20th**, at approximately 5:00 am, weather permitting. If weather conditions prohibit work on the 19<sup>th</sup>, this project may be rescheduled to begin the 20<sup>th</sup> through the 21<sup>st</sup>.

Businesses and residents in the affected areas are likely to experience periods of low or no water pressure as this work is being conducted. The affected area is businesses adjacent to the intersection of Catlett Road (Rt 28) and Marsh Road (Rt 17) and The Aspen Club Apartments on Village Center Drive and the Aspen Club Villa, to include:

*The Aspen Club Apartments, Aspen Club Villa, McDonald's, Papa John's Pizza, Family Dollar, Pizza Hut, Food Lion, Walgreen's, Truist Bank, Popeyes, Taqueria Jasmine, Anytime Fitness, Tobacco Hut, H & R Block, Allstate, Nails Design, Sabores del sur, Salon, Great Wall Restaurant, Dentist Office, Uncle B's.*

Various sections of the associated parking lots will also be blocked during these upgrades.

Though this work will begin during the day on the 19<sup>th</sup>, water will not be disrupted before 10:00 pm. If you have any questions, you may contact FCWSA Customer Service at (540) 349-2092.
