OPERATING PROCEDURE

No. 307

EMS Protocols

Effective Date: March 1, 2009

Page 1 of 1

Revision Date: February 2, 2018

Forms:

Approved By: Darren L. Stevens, Fire Rescue Chief

Approved By: Tom Marable, President VFRA

PURPOSE

To adopt and implement the Fauquier County Fire Rescue Medical Treatment Guidelines - 2014

SCOPE

This procedure applies to all operational personnel within the Fauquier County Department of Fire, Rescue and Emergency Management and the Fauquier County Volunteer Fire and Rescue Association and its associated departments.

I. PREFACE

Fauquier County Department of Fire, Rescue and Emergency Management and Fauquier County Fire & Rescue Association personnel are governed by medical protocols written and administered by the EMS Committee of the VFRA and the Operational Medical Director. It will be the responsibility of all personnel to comply with the rules and regulations of the Virginia Department of Health, Office of EMS and local & regional agencies.

II. PROCEDURE

The Fauquier County Fire and Rescue Association in conjunction with the Fauquier County Department of Fire, Rescue, and Emergency Management hereby adopt the Fauquier County Fire Rescue Medical Treatment Guidelines - 2014

All members in the Fauquier County Fire and Rescue System (career and/or volunteer) shall adhere to the procedures and guidelines established in the Fauquier County Fire Rescue Medical Treatment Guidelines - 2014

III. ALS REENTRY

It is required that all ALS providers inactive for a minimum of 6 months complete an ALS Reentry Program. To initiate reentry, contact the Department's ALS Precepting Program Manager or deputy chief of training.
