

# GENERAL ORDER

## COVID-19 Restrictions on Outside Employment

Date: May 13, 2021

Number: 21.044

Effective Date: May 13, 2021

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

This General Order supersedes General Order 20.044

The department's leadership is continually evaluating risk factors that may threaten our work force, particularly related to the COVID-19 pandemic. After careful consideration, restrictions on outside employment opportunities described in General Order 20.028 and GO 20.044 have been rescinded and outside employment shall again be authorized.

All outside employment will adhere to Rule and Regulation 118 and the Fauquier County Human Resources Policy 14.

In the instance of increased or spread of COVID-19, these restrictions will be reviewed and reinstated if warranted.

As personnel re-engage in outside employment opportunities, all are urged to follow COVID spread safety reduction practices.

Questions regarding this general order should be directed to Assistant Chief Gillam.
