

GENERAL ORDER

Annual Stryker Maintenance

Date: May 18, 2021

Number: 21.046

Effective Date: May 18, 2021

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Stryker representatives will be in each battalion starting next week for annual Lifepak/Lucas maintenance. Personnel at each station working the day they are in that battalion will be responsible to get all of the Lifepak 15s, LP 1000's (AEDs) and Lucas devices to the representatives for the maintenance to be completed.

Over the next few days, coordinate with your volunteer leadership to ensure that you have all of the equipment that needs to be serviced prior to the day of the scheduled maintenance.
