Fauquier County Fire and Rescue Department is excited to be presenting an upcoming course on Inclusion, Diversity and Workplace conflict. All members are to attend.

As a department, we have made important progress toward hiring a workforce that truly reflects Fauquier's unique diversity, and we will continue to pursue that goal. However, merely hiring a diverse workforce is not enough. We must make our workplaces more inclusive as well.

America was founded on the ideal that from many, we are one, a whole that is greater than the sum of its parts. This shall remain our rationale for inclusion.

To gain systematic benefit from our increasingly diverse workforce, we must ensure all employees feel welcome, motivated, and are able to rise through the ranks. We must inspire each other to work well together because of our differences, not despite them.

The course will be held at Laurel Ridge (formally Lord Fairfax) in Wolk Hall, rooms 205/207. There are maps below showing where the classrooms are located. Command Staff will be meeting at the Warrenton-Fauquier Airport Conference Room. If you are unable to attend your scheduled training day, please contact Assistant Chief Gillam immediately by email.
