

Informational Bulletin

Incident Support Unit 1110

Date: January 13, 2021

Number: 21.002

Effective Date: January 13, 2021

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

In an effort to facilitate the scheduled hydro testing of all self-contained breathing apparatus cylinders, the cylinders from ISU 1110 have been removed. The cylinders will remain off of this unit for a period of 30-60 days.

Until further notice this unit will not carry any extra cylinders. It will still be capable of filling a limited quantity of cylinders if needed for an emergency response. All other functions of this unit currently remain intact.

Questions regarding this bulletin should be directed to Lt. Butch Flippo or Battalion Chief Dale Kidwell.
