The Department is pleased to announce the 2nd annual Fauquier County Department of Fire Rescue awards banquet. Due to the Covid restrictions, we will have a virtual banquet this year and we will announce the time once we finalize the awards.

In accordance with Operating Procedure 137, Fire Rescue Awards, Section I., Awards Committee, there shall be a committee comprised of operational staff appointed by the Fire Rescue Chief. The mission of this committee is to recommend Department personnel for these DFREM awards. This recommendation will then be forwarded to the Fire Chief for final approval.

We are looking for one Technician and one Lieutenant from the department to serve on this committee. Two (2) members will serve for one (1) year, while the other two (2) members will serve for two (2) years. Technician Fredrick and Captain Latham are serving from last year. We are looking for some motivated individuals to get this completed in a timely fashion.

If you are interested please contact BC Arft no later than April 1st. The awards Committee will have it first meeting April 5th.
