

Informational Bulletin

Boat Staffing for Swiftwater Classes

Date: April 9, 2021

Number: 21.023

Effective Date: April 9, 2021

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Fauquier County Fire and Rescue is hosting an Advanced Lines Systems Rescue (Swiftwater Technician) and Emergency Boat Operations and Rescue (Swiftwater Boat Operator) this month and next month.

Overtime has been approved for three personnel (1 SWT and 2 BO) that are currently certified at the "Swiftwater Technician" level or higher to staff a boat during the practical evolutions on April 18th and May 16th.

Personnel interested in participating please email Captain Latham no later than Sunday April 14th. Please indicate which day you are available in the email. A great opportunity to enhance some specialty skills.

Questions regarding this informational bulletin should be directed to Captain Brian Latham.
