

Informational Bulletin

Zoll Monitor Demo

Date: November 22, 2022

Number: 22.049

Effective Date: November 22, 2022

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Our department will be evaluating the Zoll X Series cardiac monitor at Medic 1101 for several weeks, starting the week of November 28th, 2022.

Tim Casanta from Zoll's Clinical Deployment team will be present to conduct the training. Mr. Casanta will arrive on Tuesday, November 29th and will train each shift on Tuesday, Wednesday and Thursday.

No staff member is to utilize the Zoll monitor unless they have been trained and approved by Zoll to do so. We will carry both the LP15 and Zoll X Series on M1101 during this evaluation period in case there is an untrained employee assigned to EMS 1.

Questions regarding this informational bulletin should be directed to Battalion Chief Richard Cluff.
