

Safety Bulletin

Heal Foundation Equine Therapy

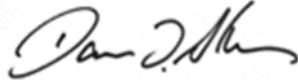

Date: April 21, 2021

Number: 21.008

Effective Date: April 21, 2021

Expiration Date: N/A

Approved By: Darren L. Stevens, Fire Rescue Chief

Lisa from the Heal Foundation stopped by Medic 1101 last week and provided information about their program. They are providing First Responders with equine therapy through their 501c3 program located in Catlett. The Peer Support Group plans to meet with her soon to better understand how members can benefit from this program.

If you would like more information, please see the attached flyer and contact info. You may also print and post at your stations.

Questions regarding this safety bulletin should be directed to Technician Mahlon Johnson.

Military, Veterans & First Responders

Is every day a struggle?
Has traditional therapy just not helped?
Worried about confidentiality?

HEAL provides subsidized equine
therapy for service connected
individuals and families

We are 100% confidential and not
connected to the VA
