Fauquier County Fire & Rescue Training Center

Registration

Due Date:

May 10th 2023
0800 hours

Course Description: This training provides a foundation to prepare students for a wide variety of possible rescue operations based on objectives from NFPA 1006 Standard on Technical Rescuer Professional Qualifications, and NFPA 1670 Standard on Operations and Training for Technical Search and Rescue Incidents.

Module II is a 16-hour introductory classrooms and practical program addressing job performance requirements of NFPA 1006. This program covers basic rescue skills in low angle environments, victim packaging, rope, knots, anchors, lowering systems, and haul systems. This program is designed for personnel who will support technical rescue incidents. Students will receive a VDFP Certificate of Attendance. Students must be 18 years of age prior to attending.

Completion of ITR Module II is a prerequisite for all Virginia Department of Fire Programs Heavy and Technical Rescue courses.

PREREQUISITES: Students MUST be 18 years of age to attend this program

Session #573-23286

<https://fcfra.wildapricot.org/FauquierFireTraining>

EQUIPMENT REQUIRED: Helmet, Gloves, Protective Footwear

NOTES: This course requires 100% attendance and students must be present for both days to receive credit.

****This Course Open to Fauquier County Fire & Rescue Personnel Only****

Any students who are feeling ill are asked to contact the instructor prior to arrival at the training location, will be assessed, and given further instructions on how to proceed. Questions can be referred to BC Dale Kidwell, dale.kidwell@fauquiercounty.gov or by calling Fauquier County Fire-Rescue Training Division at, 540-422-8820.
